

CIEH Level 2 Health and Safety Certificate

This course is designed both for people who have a need to understand how Health & Safety affects themselves and those around them, and also for people who are using this qualification to get a grounding in Health and Safety, prior to commencing onto a more formal Health and Safety qualification.

- ✓ This 1 day health & safety course is specifically designed for persons needing health & safety understanding.
- ✓ Certificated course, delivered by friendly qualified tutors.
- ✓ Delivered in-house at your premises or at SHE Knows Ltd:-
 - Goulton St (Hull),
 - King Edward St (Grimsby),
 - Catch (Immingham).

Clients can gain their Level 2 Health & Safety qualification with us and then go on to work towards an NVQ in Health & Safety, becoming members of an appropriate professional organisation e.g. Institute of Occupational Safety and Health (IOSH).

Course Learning Outcomes:

Principles of Health & Safety
Workplace Safety
Risk Assessments
COSHH.
DSE
Safety Signage

Accident Reporting
Occupational Health
Hierarchy of Control Measures
