

CIEH Professional Trainers Certificate

This qualification is essential for anyone wishing to enhance their abilities as a trainer. It is ideal for anyone who needs to understand the basics of training practice or want to refine their training techniques. It encourages a flexible approach to training delivery. Successful candidates will be able to structure, design and deliver interesting and stimulating training.

Chartered
Institute of
Environmental
Health

Target

This course is suitable for supervisors, managers and persons involved with training.

Duration

This is a three day course, classed as a Level 2 qualification which is CIEH accredited.

Certification

The course material is evaluated by means of a presentation and general course participation.

Successful completion of the programme results in the award of a Chartered Institution of Environmental Health (CIEH) certificate.
